## Royal Alex Children's Hospital Fellowship [6months - 1year]

Are you a highly motivated Senior Clinical Fellow looking to specialise in Paediatric Trauma and Orthopaedic Surgery?

### Why Join Us:

**Tertiary Referral Centre:** Leading paediatric orthopaedics centre for Southeast England.

**Comprehensive Services:** Wide range of paediatric orthopaedic services offered, including DDH clinic, clubfoot management, cerebral palsy and limb deformity correction.

**Outstanding Facility:** Based at the Royal Alexandra Children's Hospital, rated "outstanding".

**Training & Development:** Access to high-quality training, including the Brighton Paediatric Orthopaedic Trauma course. Research opportunities for national studies.

## Key Requirements

FRCS (T&O) or equivalent

Current ATLS certification and demonstrated competence in major adult and paediatric trauma management.

High level of competence in assessment and surgical management of paediatric orthopaedics without direct supervision (desirable for post-holders with CCT)

## What you'll do

### Surgical Experience

Dedicated paediatric elective and trauma list, opportunity for independent operating lists

### Outpatient Clinics

Supervised participation in paediatric orthopaedic outpatient elective and fracture clinics and specialist clinics (DDH, Ponseti, CP)

### Patient-centered care

Day-to-day care of Paediatric Orthopaedic Inpatients

### On-call commitments

Participate in the adult and paediatric trauma on-call registrar rota at Royal Sussex County Hospital (Major Trauma Centre).
