

BSCOS 2023 SOUTHAMPTON

'It is what we know already that often prevents us from learning.' –Claude Bernard

Hosted by Southampton: (Caroline Edwards, Kirsten Elliott, Alex Aarvold, Mathew Barry, Simon Bennet, Ed Lindisfarne, Darius Rad, Farokh Wadia and our amazing AHP team led by Julia Judd. Debbie Clark keeping us all in control!)

Come and learn from our speakers around the globe (Mumbai, Zimbabwe and Spain) who may challenge the status quo. With themes focused on Cerebral Palsy (Knee and Foot) and DDH we will have talks, papers, debates and as always great networking and discussions with colleagues.

Dust off your black tie and dancing shoes as we celebrate what we do with a Sparkling wine tasting and a great band 'Mister Kanish' at our Titanic Ball.

Great AHP Session on Friday covering hands on Ultrasound session and learning on spasticity and bone density.

Wednesday 8th is 'So you want to be a kids orthopaedic surgeon'. So let your trainees and medical students know. (Small fee via Eventbrite and limited places.)
